## ARTISTIC STYLE

It is an honor and pleasure to be a part of your special events. Please take time to review my work and ensure that you trust and like my artistic style and skills. You can be assured that I will create your project with the same quality as the samples displayed on my website.

## HANDWRITTEN WORK

Please be mindful that unlike computerized text, the beauty of hand written calligraphy is in the normal variation in letter structure. These variations turn each piece of composition a unique work of art.

## LICENSING

All artistic rights remain to me alone as an artist. Art that has been commissioned is only for personal use. Separate commercial licensing agreements are available.

## PHOTOGRAPHY

You are welcome and encouraged to share photos of my work on social media. Please credit with "Calligraphy by The Tawny Canvas" and tag @thetawnycanvas. Professional photography of my work is always appreciated.
